

# MICHAEL CHARLES MAIBACH

## AMAZING GRACE

My cup doth overflow,  
For this I'm truly thankful.  
I seek ways to pour it out,  
Making life for others tranquil.

My cup is already full,  
Making the best of all my days...  
Building character by each new act,  
Avoiding misdeeds and false ways.

My cup is already brimming,  
Sharing it requires but two.  
Faith has a special place in this,  
And for me this requires you, too.
