

MICHAEL CHARLES MAIBACH

ESSENCE OF FAITH

Have faith they say,
Have faith In God...
He hears our every prayer.

He sees all acts,
He hears all cries,
When alone, He's always there.

Companionship,
I'll grant Him that.
He listens at all hours.

But having faith
Must truly be
About His plans, not ours.

The good news is His plans include,
The message of His Son,
That we will live eternally,
When earthly life is done.

In this we trust, and only this,
Not in our world today.
We are placed on God's green earth,
To serve, to love, to pray.
