

MICHAEL CHARLES MAIBACH

GOD'S FACES

We are given two hands
And two feet,
Fingers and toes -
Ten complete.

Our bodies are
For granted taken,
With backs turned
We can be mistaken.

So how does one know
Him from me?
Just how do we tell
You are thee?

God solved this
With timeless grace,
He has given us
Our unique face.

It's a miracle
Every day -
Our emotions for all
On display.

They embody
In time and space,
How we witness for God
In this place.

But what of men
Without faith -
As they look for signs
Of God's good grace?

MICHAEL CHARLES MAIBACH

For them He sent
His holy Son,
Christ's life showed
He was the One.

And in heaven
When we take our place,
We'll be known
By our God-given face.
