

MICHAEL CHARLES MAIBACH

"HOLD ON TIGHT!"

Love lessons learned -
Oft wrapped in pain,
Leading her to vow
"Never again!"

But left alone
Is this her fate,
When soul and heart
Long to satiate?

So she told him "Yes"
Against her vow,
For that was then -
And he is now.

She took his hand
On their first night,
She said a prayer -
And held on tight!

I won't reveal
How this developed -
Parting ways -
Or two enveloped?

But to their credit
They made a start -
Now you alone -
Control your heart.
