MY DOG LUCY

My dog Lucy
Is the same every day.
She rises and runs -
Always wants us to play.

My dog Lucy
Is sweet, good and pure,
She reminds us the little things
Are the bounty for sure.

My dog Lucy
Lives in the here and the now.
She makes me forget
About the next coming row.

My dog Lucy
Your dog's just as true,
They make us now smile
And change us through and through.
