

MICHAEL CHARLES MAIBACH

OUR FAITHFUL WALK

The line to heaven
Is single file,
The test for us -
Truth over style.

We seek each day
So many things,
Include in this
His bell to ring.

We seek new friends,
And keep the old.
One is silver -
The other gold.

If they are precious -
And we know they are,
Share Good News,
Point to His star.

In strangers met,
See God in them,
Make your life
Your daily hymn.

That single file
We all must walk,
Is lengthened by
Our faithful walk.
