

MICHAEL CHARLES MAIBACH

THE LAKE OF LIFE

You dive into the lake
Not to simply swim ashore.
Diving deep may make of each of us
A new man - evermore.

Those who never enter,
Those who never try,
And those who dive to only swim,
Will never live like I.

So come with me
And take the leap -
Or what's the living for?

No good man wants
To live his days
Safely on the shore.
