## "The Face of God"

To love another person  
Is to see the face of God.  
To lend a helping hand  
Is to bless the ground you trod.

To teach a little child  
Is to plant a new young tree.  
To visit an older person  
Is to meet a friendship need.

To guide a new young worker  
Is to remind them why we serve.  
To lead a new young soldier  
Is to help him keep his nerve.

To clothe a naked family  
Is to warm them through the night.  
To pray for their salvation  
Is to help them see the light.

To encourage your dear wife  
Is to create a happy nest.  
To rely on your good husband  
Is to help him do his best.

To grant a second chance  
Is to admit you're broken, too.  
To forgive an unkind act  
Is to practice your faith true.

To support a mission church  
Is to double your rent paid.  
To preach the Gospel word  
Is to show you're not afraid.

# Michael Charles Maibach

To call a long-lost friend  
Is to build a bridge of life.  
To gather adversaries  
Is a step towards ending strife.

To sing a song in church  
Is to pierce the air with grace.  
To forgive an old betrayal  
Is to mirror God's own face.
